Case Studies

TRI mobilise quickly, leveraging our in-house resources as well as trusted network of partners for a dynamic, impactful occasion.

MAJOR CONGRESS

International Society of Thrombosis (IST)

EVENT: The IST congress provides a major platform for showcasing our latest research, and acts as a vital forum for connecting key opinion leaders and the industry bodies creating innovative therapies.

LOCATION: QEII centre, London (most recently).

WHAT WE DO: TRI manages the scientific program development and sources corporate support, as well as organising communications and logistics.

CORPORATE CLIENT

Sanofi Exchange Program/VTE Lecture Series

EVENT: Pharma company Sanofi contracted TRI to organise an exchange programme for 35 Chinese surgeons to visit the UK for a 2-day lecture series on prevention of VTE in July 2016.

LOCATION: TRI and Kings College Hospital, London.

WHAT WE DID: Organised the clinical programme and agenda while managing delegate travel and logistics and providing esteemed clinical leaders in VTE to deliver the talks.

INTERNATIONAL SYMPOSIUM

European Society of Cardiology Congress (ESC)

EVENT: The largest congress in the cardiology calendar, held annually.

LOCATION: Paris Convention Centre, Paris.

WHAT WE DID: Our team prepared a major satellite symposium, poster presentations, and maintained a strong stand presence to interact with delegates along with coordinating a faculty dinner and making travel arrangements.

Testimonial

TRI's logistics knowhow alongside their ability to prepare a robust scientific programme proved a terrific dual offer. We were very pleased with our congress.
